### Hakioawa Hale/Shelter Project

The Department of Land and Natural Resources (DLNR) issued a bid solicitation for the construction of a *hale*/shelter facility at Hakioawa, on the island of Kaho‘olawe, Hawai‘i. A site visit is scheduled on 6/12/12 from 8 am to 1 pm for those interested in bidding on this project. Transportation to the project site will be provided by the Kaho‘olawe Island Reserve Commission (KIRC). Attendees must confirm attendance and meet at the Kihei Boat Ramp located on S. Kihei Road between Kilohana Drive and Keonekai Road at 8:00 am prior to be transported by boat to Kaho‘olawe.

The new *hale* will support Kaho‘olawe volunteers in their cultural and environmental restoration work on the island. This project has been made possible through the tireless legislative work and unwavering support of all our Hawai‘i state legislators, especially those from the island of Maui.
